## MOCK ADMINISTRATION - FEBRUARY 29, 2024 TESTING THE TEST NAV AP ON STUDENT COMPUTERS

Today's goals are that:

- All room supervisors (the teacher in charge of the room) can log into their Pearson Access account (the top should be **blue**): <u>https://testadmin.act.org/</u> (that is all you do with this website today)
- 2. Room supervisors will be sure that all students have downloaded TEST NAV
- If they do not have Test Nav downloaded, please direct them to go to Self Service, be sure to browse ALL:

Browse		
All		
Featured		
Administration		
AP Exams		
Apple		

- Find Test Nav, install it and open it.
  - IF prompted, choose "the ACT"

• Once downloaded and opened, this is what you should see:

		<b>A</b> -	
	TestNav		
	The ACT		
Username			
Password		<b>\$</b> }	
	Sign In		
	<ul> <li>Test Audio</li> <li>Practice Tests</li> </ul>		
		8.22.318	

• Students will go to the upper right hand corner and click on the person. They will click App Check. Then Run App Check

Back to Sign in	App Check
	Enter a configuration identifier or click "Run App Check" to run the default app check.
	Configuration Identifier (optional):
	Configuration Identifier
	Run App Check Run Network Check

• They should receive this message:

• Please point out the practice tests and suggest that they try them to get ready for the day of testing.
